

SEPTEMBER UPDATE

NMCS Families,

It's another great month to be a Comet! We are coming off a busy early season of hosting many events. Our community has been showing up, student athletes have been improving, competing, and representing well, and our coaches are focused on leading on and off the playing surface.

One of my goals is to see our student athletes and coaches fully devoted to Jesus Christ in all that they do. The way we compete, how we show hospitality and build relationships with each other, and how we communicate and stay organized on a daily basis allows us to live in a closer relationship with Jesus Christ through our passion for athletics.

I continue to stress the importance of showing off the "NMCS difference" when we compete and interact with the regional community. We have a mission and vision that is different from the secular world and we need to be prepared to share that as our student athletes and coaches are frequently our front line in communication to the general public.

As the Fall season is in full swing, I am excited to see how we continue to compete and lead in a different and dynamic way.

Further updates can be found below. Go Comets!

Basketball Practices

Basketball season is just around the corner! Please see below for the latest start dates for all levels...(please note that middle school girls basketball will start in January).

October 17 – Middle school boys' basketball

November 13 – High school boys' basketball

November 20 – High school girls' basketball

Dig Pink: October 3

The NMCS high school volleyball program will again be hosting their "Dig Pink" night to raise money and awareness in the fight against cancer. Please stay tuned as they announce the focus of this year's fundraiser. The match will take place on October 3 vs. Ewart at 5:30pm.

Hosting Districts

Exciting news! NMCS will be hosting the following district tournaments. This is the perfect time to showcase our community to surrounding schools and our student athletes will have the privilege of playing in the post season tournament right here at home.

Week of October 16 – Boys soccer districts

Week of November 4 – Girls volleyball districts
