

July 2025

Hi Comet Nation!

It is hard to believe the 25-26 school year is almost upon us!

We are honored to serve NMCS students and families. We appreciate your partnership in the care and admiration of all things NMCS student life and raising Kingdom kids. We want to ensure all families are brought into the fold of Comet Nation and have all the information they need for a successful year. Thus, we want to provide some helpful information as we transition from summer to a new school year. Feel free to sift through this over the next week or so leading up to 'Meet the Teacher' night and we look forward to seeing and hearing our students and families in the halls soon!

Through His Blessing,

Katelyn Richard
Prek-12 Principal

2025-2026 Annual School Theme

"Please Pass the Fruit"

"²²But the fruit of the Spirit is love, joy, peace, patience, kindness, goodness, faithfulness, ²³gentleness, self-control; against such things there is no law."

Last years' theme helped students to understand their value and worth as bearers of good fruit. This year, students will grow as they outwardly share their fruits with others.

MEET THE TEACHER NIGHT, PK-12

Thursday, August 14
5:30-7:30pm

Meet the Teacher night is a great way to see where your student(s) will be learning, enjoy fellowship together as a Christian community, and, of course, meet the teachers! This gives families the opportunity to visit classrooms, bring supplies, ask questions and learn about what's ahead for this upcoming school year. Come when you can and stay as long as you'd like.

MIDDLE SCHOOL ELECTIVES

Parents/students have an opportunity to sign up for electives. You can access the middle school elective options through this QR code. Please complete this form if you haven't done so already as it will help to solidify students' schedules for fall.
