A Note from Ella Sheats and Victoria Heck: In our 8th grade Bible class, we are participating in a service project called the *James Project*. As part of this effort, we are partnering with the Salvation Army to host a food drive. We are collecting non-perishable food items, with a special need for canned goods and Cheerios. We are also accepting donations of new socks in all sizes for kids, women, and men. Donations can be placed in the bins located in the office lobby and gym lobby.
