

NORTHERN MICHIGAN CHRISTIAN SCHOOL MAJOR DRIVE

October 1, 2025

Dear Friends of the Comets,

I have recently been reminded of the term EROI. It is an acronym that stands for **E**ternal **R**eturn on **I**vestment. It means that we as Christians want to see the resources God has given to us to be used in a way that will impact lives for the eternal. At Northern Michigan Christian School, the lives of children are being impacted for the eternal.

In preschool, through painting a self-portrait assignment, students learn what it means to be created in the image of God.

At our annual high school retreat our student body comes together in corporate worship to sing praises to our Savior and seek to have a closer relationship with Christ.

Before and after our sporting events our teams pray together for guidance, wisdom, and protection

These are the seeds started because of your investment in Northern Michigan Christian School. Traditionally at Northern Michigan Christian School, October is set as the month to kick off our major drive each year. These funds help fund our tuition assistance program. This year we have seen a large increase in families that need tuition assistance to make Christian education accessible to them. I would ask that you prayerfully consider what God might have you give to our major drive.

Perhaps some of you who are receiving this letter have never given to the Northern Michigan Christian School Major Drive. I know sometimes we talk ourselves out of giving because we can only give a small amount and we think that it will not make an impact. Many small gifts, when combined, become powerful. There is strength in numbers and the collective generosity of our donors can make a huge impact. What would it look like if 100% of families participated? Every gift matters, and every family's participation makes a difference. I believe God will do great things if we see a record number of participants in our major drive this year.

Exodus 25:1-2 says, "The Lord said to Moses, tell the Israelites to bring me an offering. You are to receive the offering for me from each man ***whose heart prompts him to give.***" God is doing great things at Northern Michigan Christian School and I know he wants to do even greater things in the upcoming year and beyond. I ask that if God has prompted your heart to give, large amount or small, that you would simply obey.

Finally, I humbly ask that you continue to pray for Northern Michigan Christian School. That God would continue to use this ministry to change the lives of the next generation. God is moving in the hearts and lives of young people all over the country. I ask that you pray that God continues to make his presence known here at 128 S. Martin Street in McBain, Michigan.

It's always a great year to be a Comet!

Sincerely,

Scott Curell, Superintendent
