A CALL TO PRAYER

All grandmas and moms are invited to join together in prayer for our students and school community each Monday morning.

Experience the comfort, peace, and joy of being in God's presence and the encouragement of bringing your needs before Him with other believers. Is praying out loud not your thing? It's ok! God is delighted in the prayers of ALL his people, spoken and unspoken.

The needs are great, but God is greater, so join us on Mondays at 8:00 in the Preschool room. Questions? Contact Michele Kuperus
michele.kuperus@gmail.com

NWEA ASSESSMENT AROUND THE CORNER!

MAP tests. Students in grades K-8 will be completing their standardized testing Sept. 19th to Oct. 7th. (Middle School English will take place during the week of Sept. 26th.) This test adjusts to each individual student.

The data helps teachers know their learners, informs instruction, and tracks student progress throughout the year and from year to year.

Please help your child by reminding them to do their best, get their rest, and to eat a healthy breakfast.
