### **NMCS ROUTES TO CADILLAC, EVART, AND LAKE CITY**

Each school year, the NMCS Transportation Department and front office will reach out to returning families individually to confirm their bussing plan at the shuttle stops in Cadillac, Evart, and Lake City. Special accommodations can also be made on the way to and from shuttle stops.

### **NMCS STUDENTS USING MCBAIN BUS ROUTES**

Families using McBain bus routes that drop off students at NMCS should confirm all travel arrangements with the McBain Public Schools Transportation Office. Updates and changes should be communicated directly with McBain Public.

### **NEW NMCS FAMILIES AND NEW BUSSING REQUESTS**

New NMCS families and those who are new to requesting bussing should contact the front office at NMCS to start your transportation plan.
